Fees and Expenses

Generally, Mortgages Made Easy Limited will not charge any fee for the financial advice we provide you. This is possible because we receive commission for the work we undertake. However, on occasion we may charge you a one-off fee if you request financial advice and we do not receive commission. In this case you will be made aware of the fee for service and agree to the amount before you are invoiced. The fee amount will be based on an estimate of the time spent on providing the service.

Conflict of Interest and Incentives

Mortgages Made Easy Limited and our financial advisers receive commissions from the providers on whose products we give financial advice (Banks and Lenders). If you decide to take out a mortgage, the provider will pay a commission to Mortgages Made Easy Limited and to your financial adviser. The amount of commission is based on the amount of the mortgage.

As part of our overall process, we sometimes refer our clients to Insurance Advisers. We receive a small referral fee for this service.

From time to time, product providers may also reward us for the overall business we provide to them. They may give us tickets to sports events, gifts, or other incentives.

To ensure that our financial advisers prioritise our clients' interests above their own, we follow an advice process that ensures our recommendations are made on the basis of each client's goals and circumstances.

All our financial advisers undergo annual training about how to manage conflicts of interest. We maintain registers of conflicts of interests, and the gifts and incentives we receive.
